

## Membership Committee

The new Membership Committee chairperson is Board of Directors Member Mr. Philip Wade. He has been on the Board for almost two years. He is a licensed attorney and certified professional guardian.

Dear members,

Over the next several months I will assist in making contact with all the current members so everyone will have the opportunity to have their voice heard and opinions considered on several topics. Our goal is to have continual communication with all members to find out how the Arc can help each member and allow each member to know how they can help the Arc.

As in many areas of life, having the support and assistance of a group of like-minded persons makes many of the challenges of life more manageable and enjoyable. Through increased involvement we can all greatly affect each other, the community, and ourselves.

Sincerely,  
Philip Wade

Dear members,

The fundraising committee has been formed to propose and coordinate fundraising activities for the Arc for the present economic difficulties and future sustainability. Discussions of specific fundraising ideas started in the fall of 2009. We are working on one big fundraiser this year as well as some smaller ones throughout the year. Our goal is to raise funds to help the people and keep the wonderful programs at the Arc. I'll communicate more in the near future.

Sincerely,  
Emily Meeks
